TRANSITIONING FROM A PEDIATRIC PATIENT TO AN ADULT PATIENT

Highgate Medical Group, P.C., is a family medicine practice treating all patients age 6 and older.

It is our goal to provide a smooth transition from childhood to adolescence and beyond. We want our patients to know that their privacy is secure and that our staff at Highgate Medical Group is here to help with all needs, including:

- Illness and injury
- Wellness visits, such as sports physicals and check-ups
- Referral to specialists, if needed
- Medication Management
- Health Insurance
- Social Issues
- School/Work forms

We want to instill in our next generation the importance of having a primary care physician to maintain physical and mental health. It is best to be seen yearly for wellness appointments, even when in good health, so that any ailments can be treated quickly and appropriately as they may develop.

Our office actively participates in a medical home model. Our online patient portal is a tool to assist in scheduling appointments, retrieving test results, and communicating with your clinician as the need arises. Patients above the age of 13 will be given the opportunity to manage their own patient portal.

Thank you, and remember, we are here for you!
